

You're invited to join **THRIVE Social Services** on **Wednesday, June 5, 2024 from 4:00 to 6:00 p.m. at Veteran's Memorial Park in Langford** to celebrate a big win for the health and well-being of youth and families/caregivers — a **Foundry** centre will be developed for Sooke and the West Shore.

The Foundry centre will provide young people aged 12-24 and their families/caregivers access to free and confidential mental health and substance use supports, physical & sexual healthcare, social services and peer support in one convenient location. The Foundry centre will be a real game-changer for the growing West Shore and Sooke region.

Our journey to developing the Foundry centre will be a deeply collaborative one, involving youth, families, caregivers, service providers, and you! We would love to have you join us for this **Foundry Launch Party**, which will provide pizza and an opportunity for community members to learn more about the Foundry model and how the project will roll-out over the years ahead to help our dream become a bold reality.
